

Bald Mountain

Hiking & Biking Trails

Mountain User Responsibility Code

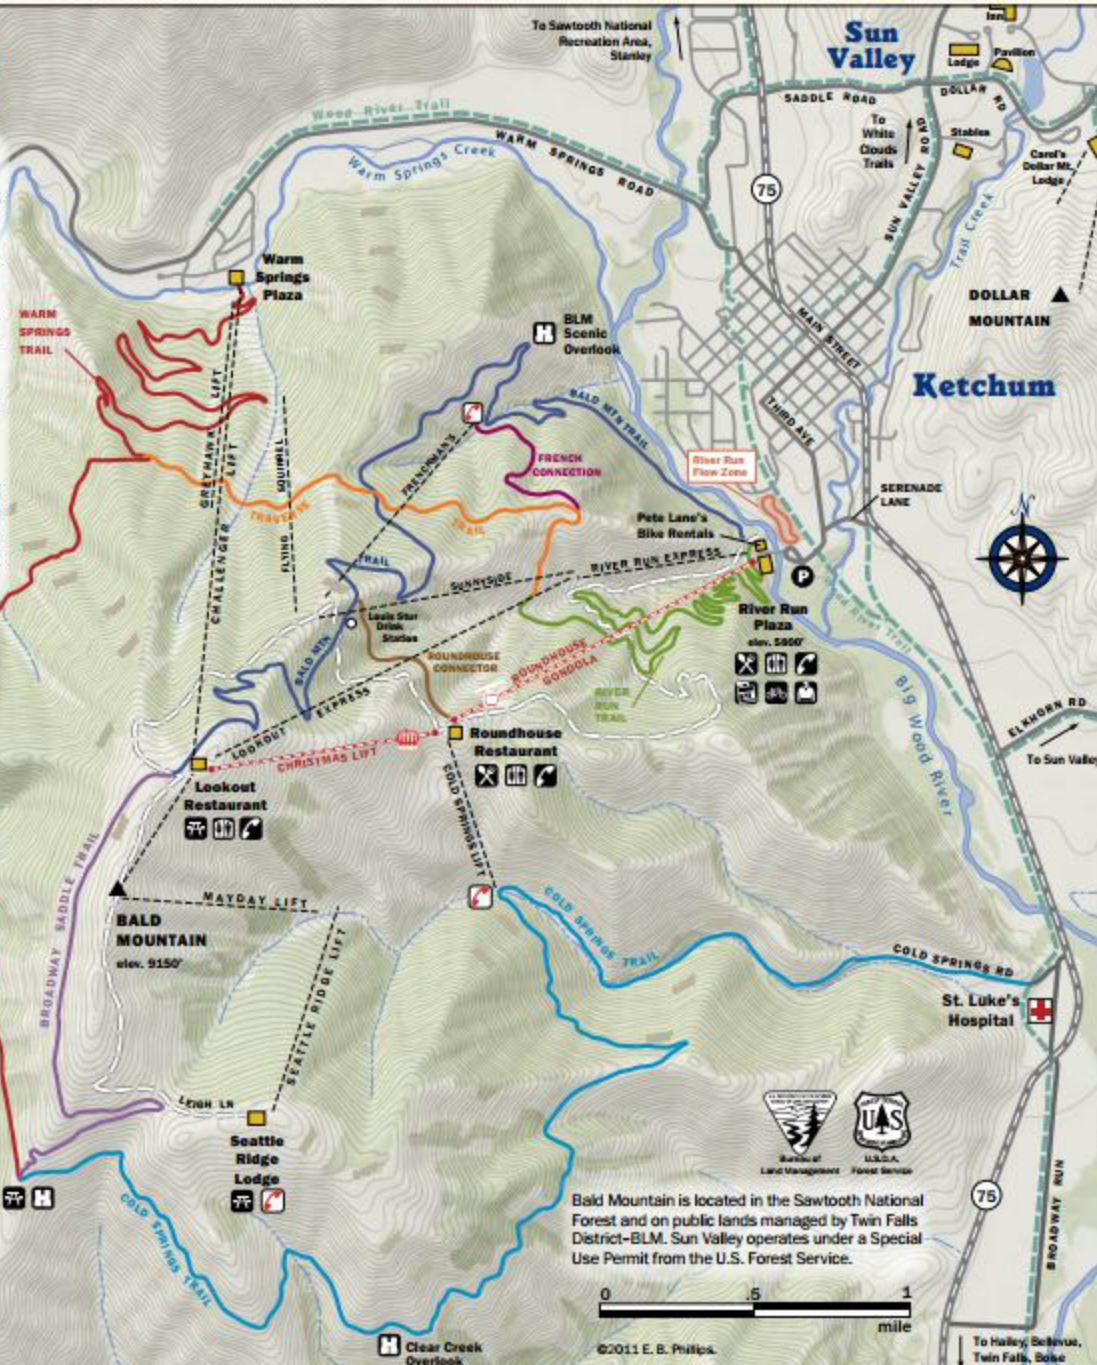

1. Familiarize yourself with the trail systems and select rides/hikes within your ability level. Ride, don't walk.
2. Make sure that all bike components work properly.
3. Helmets are required while riding. Gloves and protective clothing are recommended.
4. Trails are not patrolled. Always ride with a buddy and be prepared for emergencies.
5. Mountain weather can change rapidly. Severe thunderstorms and temperature changes are common. Be prepared for changing weather conditions.
6. Always stay in control and be able to stop or avoid other people or objects.
7. Observe all posted signs and warnings and ride/hike only on designated trails. Keep off closed trails and out of closed areas. Consult with Mountain staff for updated trail reports.
8. Be courteous to other riders/hikers and pass only when it is safe.
9. Drivers should yield to other types of trail users including hikers, horses, and vehicles.
10. Respect the environment and wildlife.
11. Prior to using any lift you must have the knowledge and ability to load, ride, and unload safely. When in doubt, ask a lift operator for assistance.
12. Bald Mountain service roads are steep and are off limits to biking during operating hours.
13. Smoking is prohibited, due to extreme fire hazard.

This is a partial list only. Ride with care.

WARNING: Mountain biking, hiking and other recreational activities involve inherent and other risks of injury and death. Trail conditions vary constantly because of weather, changes in vegetation, and user use. Variations in terrain, stumps, forest growth, rocks and debris, (all of which may be hidden by tall grass or vegetation) lift towers, snowmaking equipment, vehicles, logging equipment and other machinery and other natural and manmade obstacles and hazards may enter throughout the area. You must assume the risks of personal injury and death related to participation in recreational activities within this recreation area.

In case of emergency call 911
